

Garage Door Thresholds / Weather Seals

Garage Door Thresholds creates a proper garage door seal and helps keep out driven rain, excess water, pest, dust and pollen. The garage door threshold helps close the gap between the door and the floor. We carry 3 different brands, in stock, ready to ship.

Xtreme Weather Guard available in a 6" Wide and 3/4" High.

Bottom Seals, we stock replacement rubber and vinyl bottom seals. Available in custom lengths or full rolls.

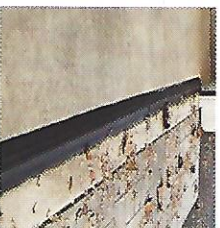

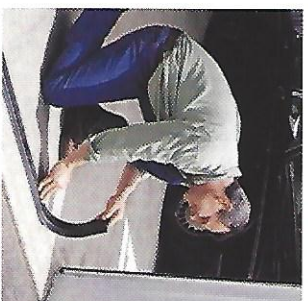

Brush Seals and Retainers, Slim-Line, Standard Brush, and Large Brush Seals and Aluminum Retainers. Made in USA, and Classified UL.

Commercial applications such as overhead doors, aircraft hanger doors, elevators, escalators, and entry doors. Residential applications for garage doors, entry doors, closing gaps.
