

storeWALL
HEAVY DUTY

storeWALL HD CustomCut™ 5"
ThermoPlastic Shelves

Ideal for smaller items, collectibles, toys etc. With the end caps attached the shelf becomes a tray.

Built-in mounting bracket

Just insert the HD 5" shelf into any slot on **storeWALL**. The built-in bracket is as smart as it is strong.

Cut to length

You select the length of the shelf; **any size, up to 8' long.**

HD SnapFit™ modular end caps

End caps simply snap in place turning the *custom shelf* into a *tray* and adding a finished appearance.
